TABLE OF CONTENTS

Much time has been given to this year book, looking back over fifty years, comparing the past with the present. Reminiscing for the most part is fun and interesting. It is an inescapable truth that we are a product of evolvement. The past, it is felt, should be treasured for its time tested values.

Our charge, however, is in the future. We should look to the future with great anticipation. The opportunity to improve the state of humanity is as challenging as it is limitless. Using the successes of the past as our keystone, and our youth to generate new ideas and concepts, we should strive to create a more equitable society. A society more closely resembling that envisioned by our founding fathers.

We must be eager to make our contributions, being fully aware of our accountability to those future generations as yet unborn.

This is a challenge we willingly accept.

Throughout the past four years all of us have had special moments that we will cherish forever. As future years pass we will be able to add additional memories to our treasured accumulations.

Memories are portraits that we take, develop, and assemble in the albums of our minds. Our albums will never be fully filled because there will always be room for one more portrait.

Our future years will help us to fulfill our desires, our dreams, and our hopes. As we leave Pompton Lakes High School every individual member of our class will have the chance to strive for each of their own individual goals in life. The Editors of Pioneer '83 hope that your future years will be full of fond "Golden Memories" that will stay with you for the rest of your lives.

Certain periods in our lives leave deep imprinted images upon us. One of these periods is that time which we spend in high school. It seems that we tend to retain vivid impressions of the good times, and the bad times associated with high school. For the most part, our recollections will be "Golden Memories" of an idealistic and romantic nature not only because the mind tends to block our unpleasant and bitter remembrances with the passage of time, but also because the high school years are generally enjoyable, satisfying times for most of us.

I hope that your remembrances of these past four years are joyous ones. If by chance they are not, then be determined to make the years that lie ahead the happiest of times for yourself and for others.

When you look back 50 years from today, may you find many golden images. More importantly, may the golden moments be distributed evenly throughout your lifetime.

May most of your memories be Golden as you journey thru life — more importantly, may you be a Golden Memory in the hearts of all you meet. A man is immortal as long as he is remembered. Be remembered well because of the way you live, the lives you touch, the love you share. Be a Golden Memory.

Memories are a part of everyone's life. "Golden Memories" are the moments in our lives that we will always treasure and never forget. For each person these memories are different but for each person they are very special. Already in your young lives you have your "Golden Memories" which you will always treasure. For some it may be the accomplishment of a goal or a ceremony. For others it may be a particular vacation, a family gathering, a quiet time with loved ones, a birthday party, your parents' or grandparents' anniversary, etc. For high school students it might be a particular game, competition, dramatic production or a prom.

You now enter a new phase of your life. You will have many memories from your youth that will never be forgotten. Each day of your life and the quality of the life you lead will determine the type of memories you create. I hope you will lead a life that will continue to give you many "Golden Memories."

Like gold itself, "golden memories" remain after a long, arduous process of refinement during which the precious and treasured is separated from the common and ordinary.

Your "golden memories" of high school have been refined from the total ore of four years of academic, extracurricular, and social experiences. We have found you to be optimistic, enthusiastic, energetic, and joyful. Your high school memories will be reflective of these qualities. Your memories will endure, age will increase their value, they will remain untarnished.

It is our wish for you that nothing ever dulls the lustre of your "golden memories" of Pompton Lakes High School.

Boys' State

BOY'S STATE

Boys' State is a one-week seminar sponsored by the American Legion. Nine hundred boys from all over the state gathered at Rider College to learn and participate in local, county and state government activities. Representing our school were: Mike Rippey, Rob Marks, Brian London, George Cattiny, and Chris Sanns.

Girls' State

GIRLS' STATE

Each year the American Legion Auxiliary select and sponsor a group of girls who attend Girls' State. This year, the week-long program was held at Rider College. Girls' State is designed to acquaint girls with our government, and encourage them to participate in elections for city, county and state government positions. Representing Pompton Lakes High School were Jennifer Sheriff, Cindy Bergen, Wendy Silvers, Mary Jane Kelley and Paige Oszmanski.

Girls'

Citizenship Institute

GIRLS' CITIZENSHIP INSTITUTE

Each year, the Pompton Lakes Woman's Club sponsors one student who attends the Girls' Citizenship Institute. This is a one week seminar held at Douglass College, programmed to emphasize a woman's role in today's society and prepare her for the future.

This year Pompton Lakes High School was represented by Maryanne Begega who exhibits fine citizenship qualities.

D.A.R. Award

Each year the Senior Class chooses a student who exhibits character, dependability, honesty, leadership, and service to receive an award presented by the Daughters of the American Revolution. The Class of 1983 is proud to announce that Elaine Luglio is the recipient of this award.

Elaine has been our Class President during our four years in the high school and has done a magnificent job. She is also the Assistant Co-Editor-in-Chief of the PIONEER yearbook staff, Vice President of the National Honor Society, and a member of the Student Council, Spanish Club and Z-Club. In addition to being involved in these activities, Elaine has maintained a high academic standing throughout her high school years.

PIONEER '83 feels Elaine is a fine choice for this award and wishes her the best of luck in the years to come.

Outstanding Boy

The Class of 1983 has chosen Arthur Vanden Houten to receive the Outstanding Boy Award for this year. Art portrays the qualities of leadership, character, dependability, scholarship and service in all he does.

Art served as President of our Student Council, was a member of the Varsity Club, and was Sports Co-Editor of the PIONEER yearbook staff. Besides his participation in those activities, Art was very involved in athletic activities.

PIONEER '83 would like to extend our sincerest congratulations on his being awarded this honor.

Runaways

On the evenings of November 19 and 20, the Senior Class of 1983 presented "Runaways", written by Jay Christopher, and directed by our talented Mrs. Helene Zablocki.

The play centers around the people in Runaway House, a haven for runaway teen-agers. Bill is the "manager" of the shelter and a devoted social worker. Linda is working at the shelter in order to fulfill requirements for her master's degree in social work. Though she makes mistakes in handling problems at the beginning, throughout the play we see her learn to be a sensitive, caring therapist. When Linda discovers that her own sister, Erica, has run away from home, she finds out how difficult, and important, professional detachment can be. Included in the plot are the therapists' relationships with the other kids at Runaway House and the varying degrees of success they experience in trying to communicate and help the runaways.

We would like to extend special thanks to Mrs. Helene Zablocki for all the work she did to make this play a success and congratulations to the Senior Class of 1983.

Pioneer '65 was started in the fall of 1964. As Pioneer advisor since then, I have been building more than my fair share of "Golden Memories". Each year since "that" September, I have been privileged to work on the yearbook with a terrific group of young people whose talent, dedication and friendliness have given me more "Golden Memories" than any individual dared to hope and pray for.

For Pioneer '83 the very pretty and talented Cindy Bergen and the handsome, debonair Darin Colucci, Editors-in-Chief, lead the pack with firmness and pride in the task of putting together a yearbook. Cindy and Darin are assisted by the very pretty Elaine Luglio and the handsome, debonair Brian Corb, Assistant-Co-Editors-in-Chief. They also share the responsibility of getting Pioneer '83 ready for distribution at the senior dinner. Cindy, Darin, Elaine and Brian are all friendly yet reserved, talented yet modest, capable yet humble. I am proud to know each one of them because together with all of the editors of Pioneer '83 they are producing, not only an issue of Pioneer but they are building their own "Golden Memories" as well. I sincerely hope that their memories will be as comforting as mine. One day our sponsor editors, Cindy Chironis, Dan Stark, Craig Corn and Rob Marks will be able to look at Pioneer '83 and see a yearbook instead of green slips, pink slips, white paper and dollar signs.

The fun times as well as the trials and tribulations of the staff in printing their book will all too soon be just a memory. It's amazing what "twinkie" power can do for a Pioneer staff.

I am proud and happy to have shared in this very important project with the editors of Pioneer '83 and their families. Hopefully, "all" future memories will be happy ones for "all" of us.

CLUBS AND ACTIVITIES

Pompton Lakes High School Marching Band

Rich Bieser - Drum Major

This past school year was a very exciting and productive one for a very young Cardinal Marching Band. Under the direction of Mr. Carl T. Howard and Mr. Arnold Freifelder, the band entered four competitions this fall. Marching against some of the best bands in the state, the Marching Cardinals collected a fifth place at Hasbrouck Heights, a fourth place at both Kinnelon and Montville and first place Band, Best Music and Best Band Front at Ramsey. The band worked very hard at raising their score to a very respectable 61.3. In addition to competition, the band performed at all football games and pep rallies, and at the Herald News Band Festival.

During the winter, the band becomes a concert unit, preparing selections for the Winter and Spring Concerts.

Throughout the year, fund raisers are held to help raise money for the annual Spring trip. Past trips included, Virginia Beach, Myrtle Beach, Toronto, Kentucky Derby, Washington, and Orlando, Florida.

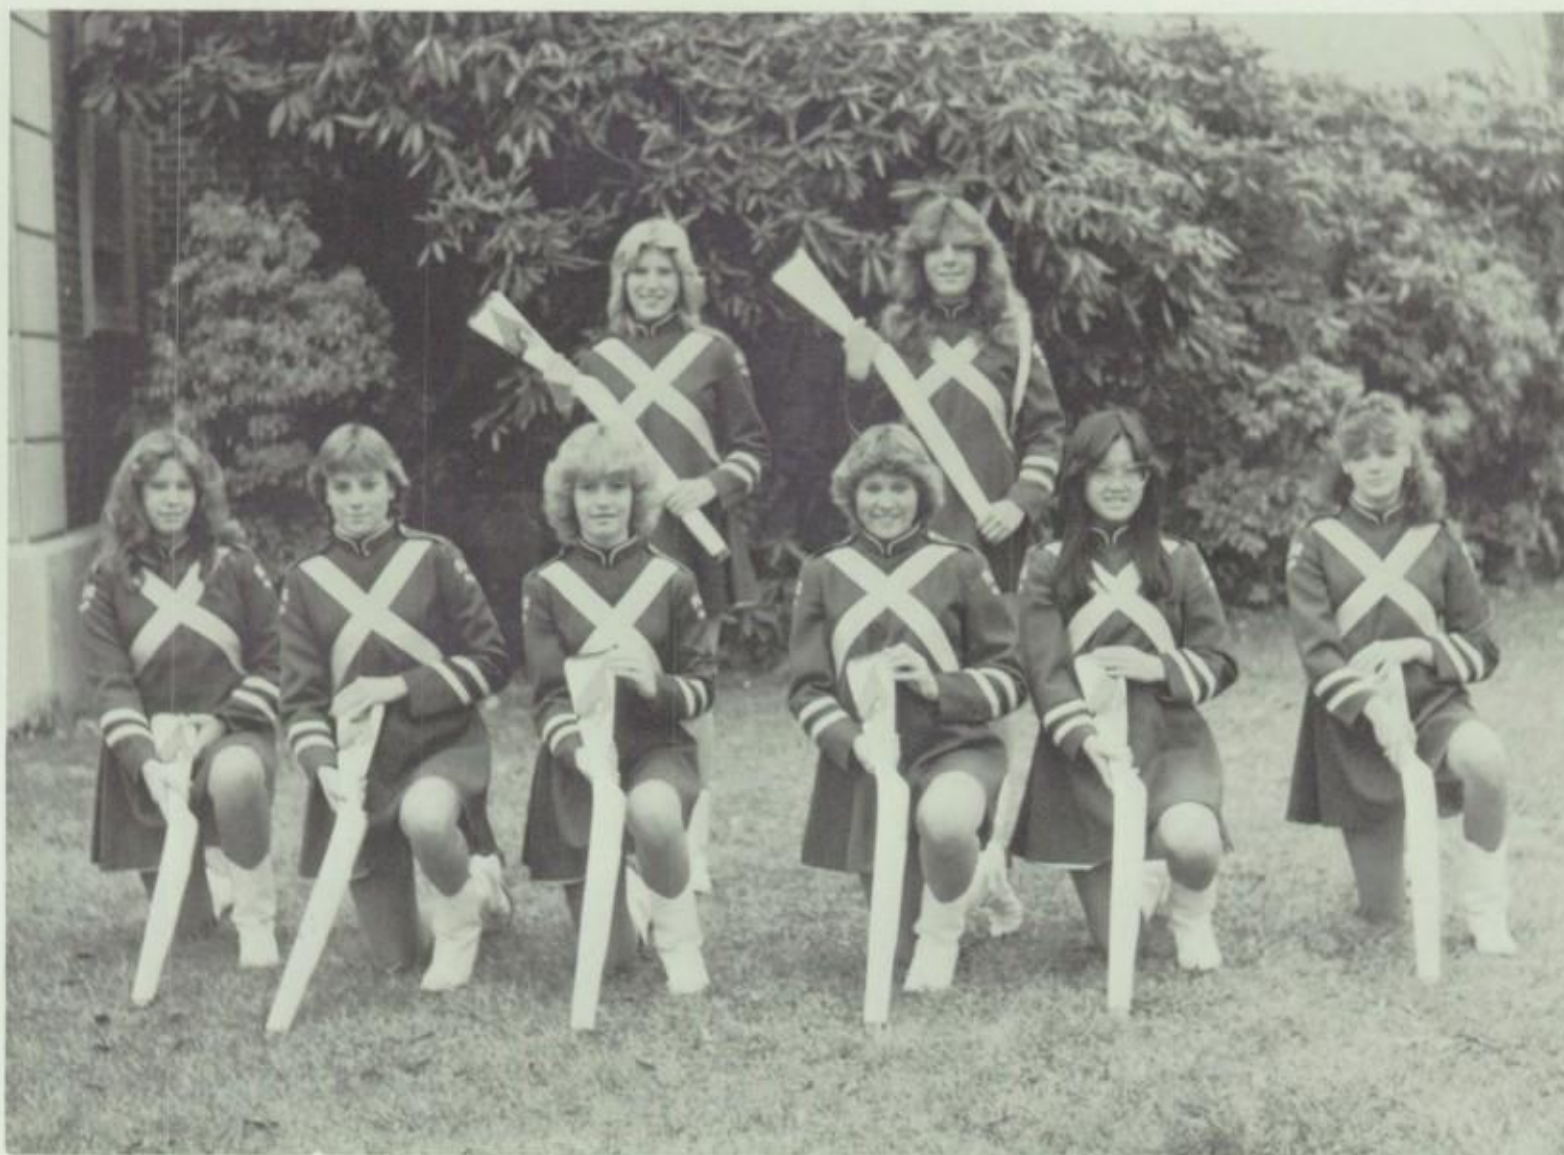

After a year's absence, the band again entered the Elks Convention Parade in Wildwood, New Jersey. The Cardinals are hoping to once again bring home an impressive finish.

ASSEMBLY PLANNING COMMITTEE

ASSEMBLY PLANNING COMMITTEE

Under the direction of Mr. Fisher, this committee plans interesting and enjoyable assemblies for the student body. Students are selected from each grade to join this organization.

This year's programs included the Hypnotist, Christmas assembly, Energy Show, and the Halloween-Costume Assembly.

BOY'S VARSITY CLUB

BOYS' VARSITY CLUB

The Boys' Varsity Club is compiled of all male sport's letter winners. The aim of this organization is to encourage younger athletes to participate in sports and to maintain the high standards of Pompton Lakes High School spirit. This year the Boys' Varsity Club sponsored the Boys' Senior-Faculty Basketball Game and sold candy during other basketball games. The advisor, Mr. Moyle, certainly can be proud of these boys.

GROUP I SECTION I STATE CHAMPIONS

The 1982 Pompton Lakes Cardinal football team had a record of 11-0, a school record. They also won the Group I Section I State Championship season.

This year the Cards had twenty seniors returning from last year's 8-2 team. When the season started, many people expected the Cards to do well. As players say, the toughest time to win is when you're expected to.

The Cards opened their season at home against P.C.T. After a close first half the Cards exploded and beat Tech and their great team speed. The next five game stretch, was to be the Cards best. The team defeated Midland Park, Waldwick and Manchester, but two of the year's biggest victories came in that stretch when they defeated league rivals, Mahwah and Glen Rock.

After this stretch the Cards were hit with many key injuries. Instead of bringing the team's downfall, they held together and defeated Hawthorne in a 8-7 thriller, which came when the Cards scored with just two minutes left in the game. Next the Cards defeated Lodi and on Thanksgiving Saddle Brook.

Earlier in the year Pompton had qualified for the State Tournament.

In the first game the Cardinals faced a great Emerson team which was blessed with great speed. The team played well in the first half and had a tight 12-6 lead. In the second half, however, the team shut Emerson's explosive offense down, and we went on for an 18-6 victory.

In the State finals the Cardinals played a rematch with a much improved Mahwah team. Through most of the game's three quarters the Cards were devastated by turnovers, and Mahwah led 14-0. But with about three minutes left in the third quarter, the defense stopped Mahwah inside the Cardinal's ten yard-line. Then the offense exploded for twenty-eight unanswered points and the Pompton Lakes Cardinals walked off the field Group I Section I State Champions.

This will be a year that will be remembered forever.

FRESHMEN FOOTBALL

Football Cheerleaders

This has been an exceptional season. One that will be remembered in the history of Pompton Lakes High School. The 1982 Cheerleading Squad played a very important part in the **Spirit** of this season.

Led by Captain Maryanne Begega and Co-Captain Jolene Walker, the cheerleaders created new cheers for the opening and closing pep rallies, Thanksgiving bonfire, season and state games. The girls made posters for all the fall sports and displayed them in the main hallway. They wrote letters of encouragement to their football players and filled lockers with crepe paper and goodies. The cheerleaders decorated the field house and distributed lawn posters. A sensational pom-pom routine to "The Eye of the Tiger" was developed and performed at the Thanksgiving Pep Rally, the Thanksgiving Game and the State Championship Game against Mahwah. The girls also provided refreshments at the home games for the visiting cheerleaders. They had a new advisor Marilen Galacio-Audin, miniature footballs and a new Cardinal Mascot suit.

Muhdi Batshon

Although off to a very slow (1-6) start, this year's soccer team staged an impressive comeback (7-4) to bring their record to a respectable 8-10.

It wasn't easy. Ten of their games were played in the fierce competition of the Carpenter Division, which again qualified four of six teams for the state tournament. Add to this hurdle the fact that the team had only five lettermen, only four of whom were seniors, and Pompton seemed up against it. But as the season developed, the underclassmen matured quickly and merged with their senior teammates into a respectable and competitive soccer team. A solid foundation has been laid for future success.

Anthony Georgiades

Field Hockey 1982

The 1982 Field Hockey Team completed an outstanding season with an overall record of six wins, four losses, and two ties. Fifteen players represented Pompton, including three seniors, five juniors, four sophomores and three freshmen.

Led by senior co-captains Cindy Bergen and Betty Ann Rainey, the Cardinals won their first four games of the season, tied once and then won again, qualifying for the state tournament play. Pompton advanced to the state sectional championships, losing to Wallkill Valley, 3-0.

The dedicated efforts and accomplishments of the 1982 team will be long remembered. The outlook for next year's team is a bright one with twelve returning players and a fine winning tradition to follow.

Co-Captain: Cindy Bergen

Co-Captain: Betty Ann Rainey

Dawn Charles

Gymnastics Team 1982

Captain: Lisa Elmini

The Varsity Gymnastics Team had a winning season this year with a record of seven wins and five losses. The team, captained by Lisa Elmini, was composed of ten members: two seniors, three juniors, two sophomores, and three freshmen. Six letter winners returned from last year's team to lead the squad this season. Out of the ten team members seven girls lettered and all of the girls are capable of working two or more events with four girls capable of competing all around.

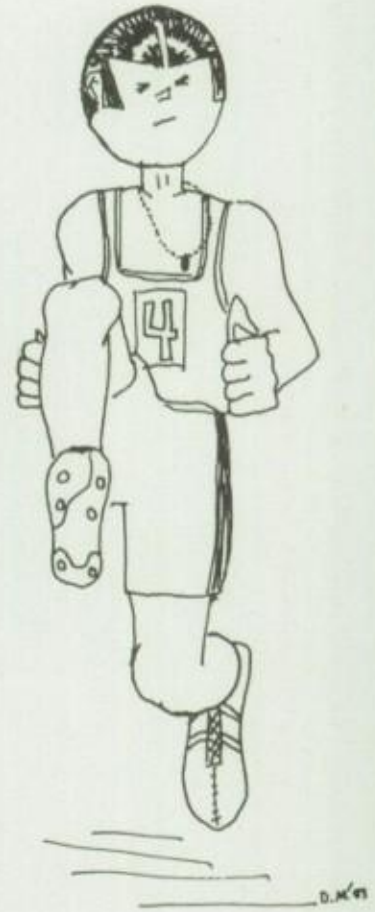

This year's squad averaged 79.77 points per meet and their highest team score for the year was 85.20 points against Ramsey.

Gamze Akturk

Cross Country 1982

The 1982 Cross Country season was a very encouraging one. Not only did they have their first winning record since 1975, but all except one runner will be returning next year. Great improvement was made individually and they had three All League selections and a bronze medal performance. The team consisted of one senior, four juniors, and seven sophomores. Their coach was Mr. J.C. Thomas.

Co-Captain Mitch Harrison, Todd Dawson

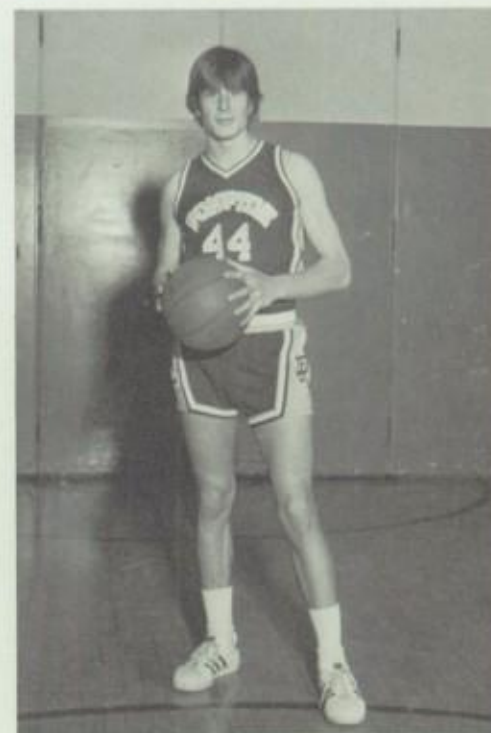

Muhdi Batshon

This year's Cardinal basketball team, had an overall record of 0-22. However, it is important to note some things about this team. First they were very young, inexperienced, and had a fighting spirit. This inexperience showed as the team lost seven games directly to foul shooting.

It seems to have been a season where nothing went right. At one point the team was leading last year's league champs Midland Park 20-4 but eventually lost in a close and exciting game.

Mitch Harrison led the team in scoring and rebounds. While Tim Garrity led the team in assists. Out of all the players that accomplished much playing time, only two will be leaving. With much hard work the future could be bright for the Cardinals.

This year's girls' basketball team posted a record of 12 wins—10 losses under the leadership of seniors Laura Iraggi, Alyssa Buldo and Terry Patane.

The leading scorer for the Cards was Laura Iraggi who averaged 11.2 points per game. Leading rebounders were Alyssa Buldo and Terry Patane. The league standing for this fine team was third in the B.P.S.L. Carpenter Division.

Some outstanding games of the season were against Waldwick which they defeated 30-28, Glen Rock which they defeated twice 36-24 and 39-29 and Mahwah 36-34. The Cards most memorable game came when they fell short 54-50 to the number one team in the county P.C.T. The team should be commended for their fine performance.

This year's wrestling team compiled a record of six wins and seven losses. The team was very young and worked hard under strong leadership from the team's four seniors.

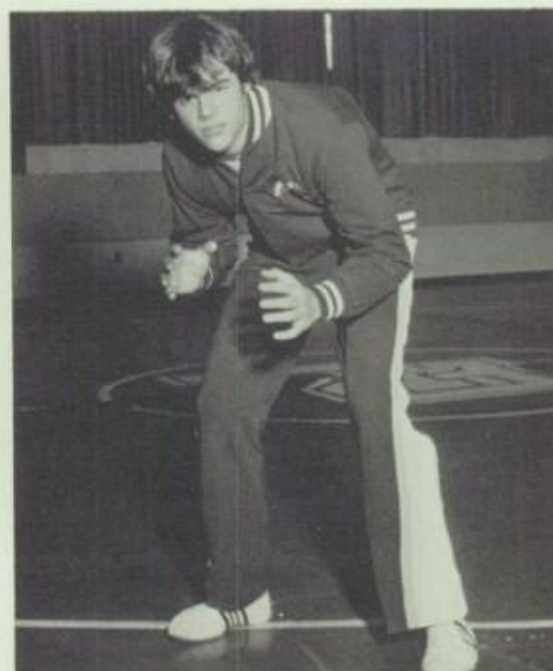

The team had some very bright spots this year. They were 5-0 in the Carpenter Division. Also most of the team's losses were by a very close margin often just two or three points. Key victories were over Midland Park 35-33, who was undefeated at the time, and Manchester 30-23, a match in which the Cards once trailed 17-0.

The future looks bright for the Pompton Lakes wrestlers who will return twenty-two members of that squad.

In the districts Co-Captain Chris Sanns took second, Pete Jones first and John Harris second, which qualified them to the regionals.

This year's girls' fencing team was outstanding. They finished with an overall record of 18 wins 0 losses.

As it was said last year these girls would be returning stronger and better than ever, as they did.

The girls as a team came in second in the Santelli Tournament which was held at Lakeside School. They also came in second in the districts which was held at Butler. In individuals Evelyn Neuber came in fourth and Lorraine Genova came in fifth, which qualified them for the states. In the districts Wendy Silvers came in sixth and Madeline Barnett came into the semi-finals.

Evelyn Neuber broke her own record which she set last year 80 wins - 6 losses. Lorraine Genova also broke a record untouched in five bouts.

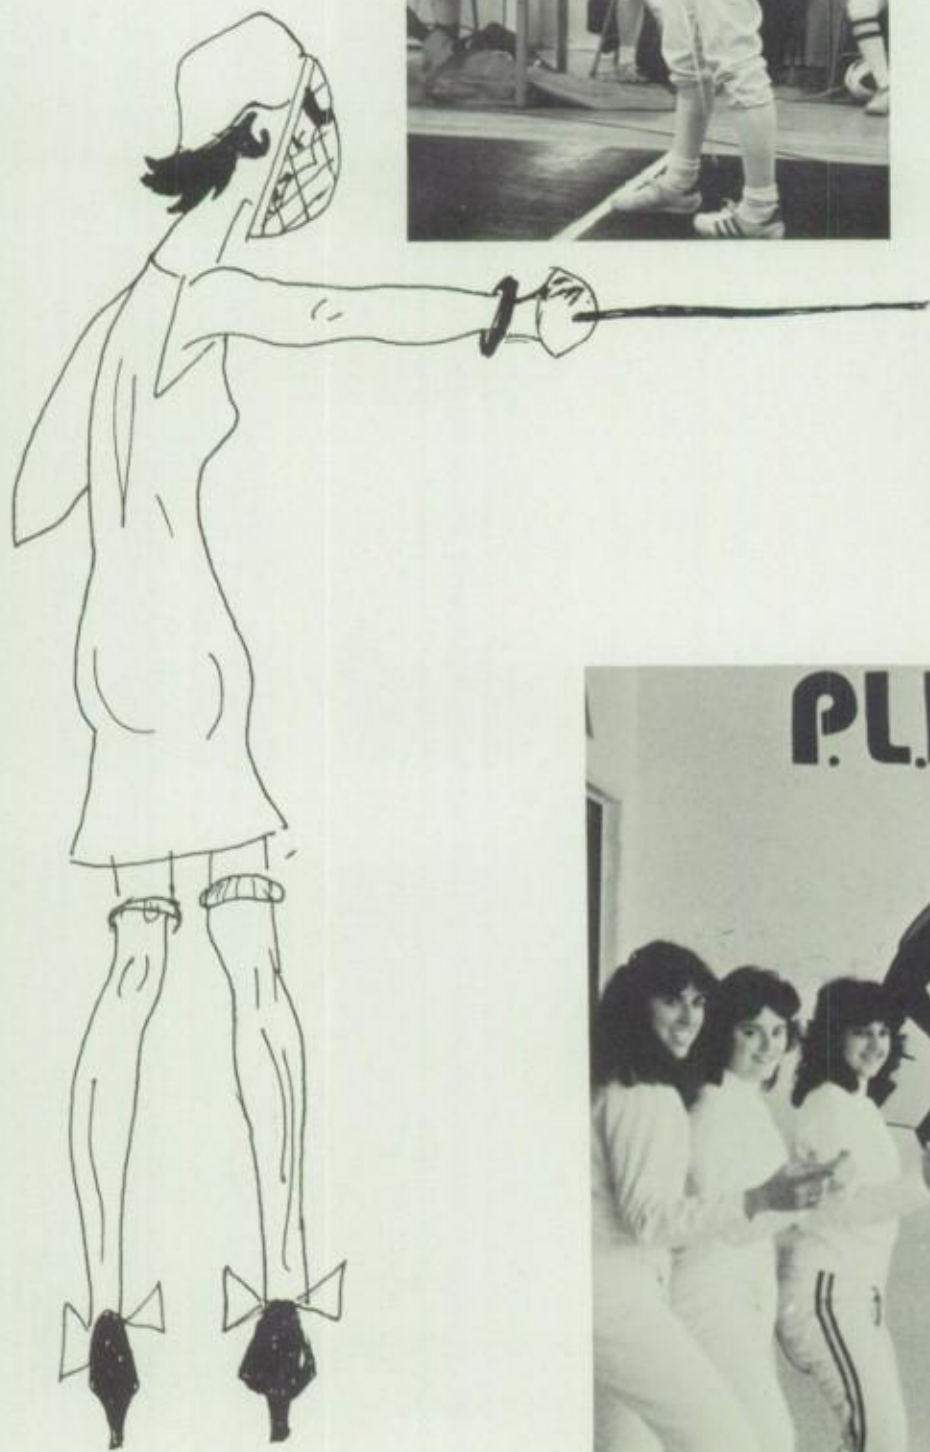

Next year the team will be without four very fine seniors, but the team still has a very bright future. As the team put it eighteens supreme.

Capt. Epee - Rob Audin

This year's fencing team had an overall winning season. With an impressive record of 10 wins and 6 losses. Under the leadership of team captain Steve Mangeri the Cards were very competitive and strong in the Pompton fighting spirit.

Special congratulations go to Rich Weiss who this year came in 17th in the USFA under sixteen nationals.

Next year's team will undoubtedly do as well as this year's team with many strong, young fencers returning.

Anniversary

The 1937 baseball team followed the slogan "pride, hustle, never say die" to a 7-win, 3-lost season, including two victories over Butler 8-3; 8-6.

The proud cheerleaders provide school spirit and enthusiasm to all; a tradition that has prevailed over the years.

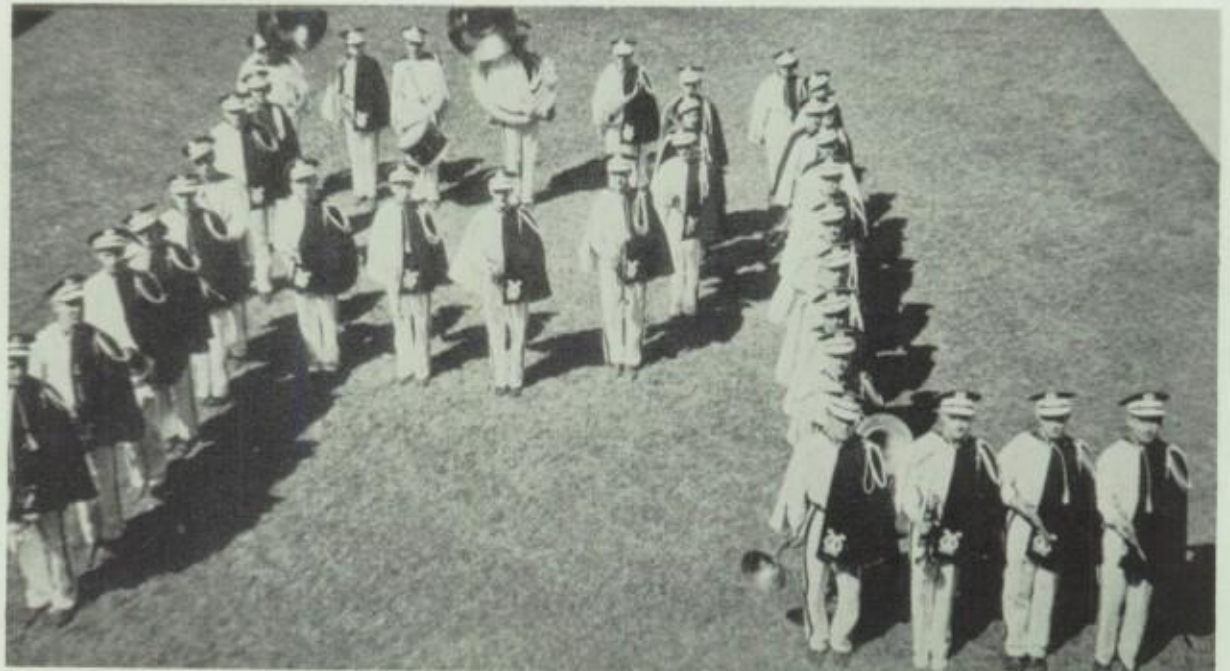

On Dedication Day the 1938 "Mean Machine" is accredited with scoring the first touchdown scored at Hershfield Park.

One of the early bands at P.L.H.S. shows its talent by forming the famous P.L.

A patriotic start to the school day.

The 1937 Student Council was one of the first to establish the organization we have today.

For the past two years Pompton Lakes High School Honors History Classes have been working diligently on a history book. Under the teaching and supervision of Mr. Palestis the students have been putting in long hours to write about the first fifty years of Pompton Lakes High School.

These two classes worked together producing the finished product. One class started with the first twenty-five years, while the other followed up with the next twenty-five years.

Sections of the book were divided up between the building of the school, the principals, curriculum, administration, student life, sports, and traditions of the school. Many interviews with former students were held so we could receive first-hand information on our school. The students all agree this was an interesting experience and are glad they could be participants of digging up Pompton Lakes High School's history. Thanks again to Mr. Palestis for all his help. FOREIGN EXCHANGE CLUB

This year the Foreign Exchange Club hosted ten students. There were two from the Open Door Program: Carlos Buscio from El Salvadore who stayed with Tom Van Horn, and Patty Mazariegos from Guatamala who stayed with Jean Donhouser.

Later in the year European students arrived for a three week stay in March. The students names and hosts are as follows:

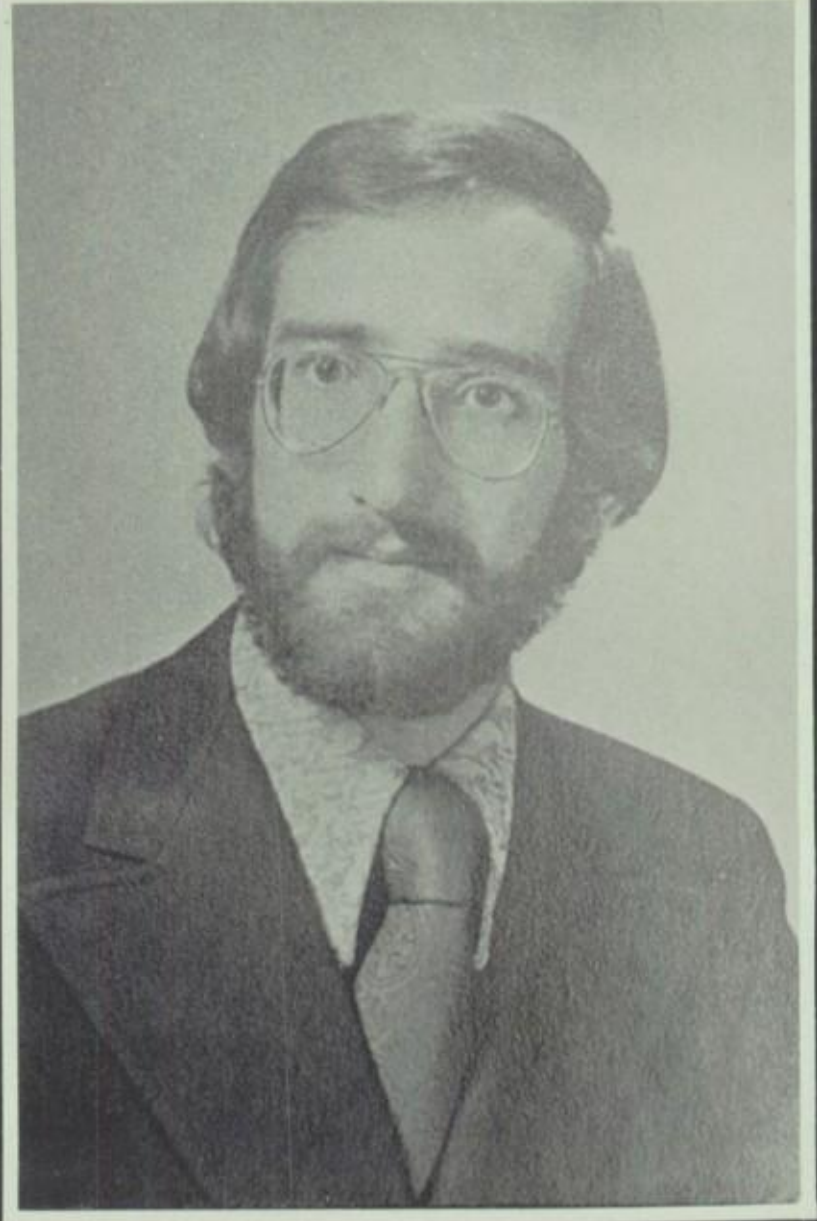

Claudia Eddebuttel from West Germany - Patty McNamara
Eve Erixon from Sweden - Eileen Ryan
Diana Pohl from West Germany - Kim Steinhauser
Nerea Herrare from Spain - Sandy Galacio
Jutta Leuthe from West Germany - Alissa Rollins
Aintzane Esturo from Spain - Antonina Giammanco
Maria Jose Carrascosa from Spain - Mark Nazario
Gert Van Der Biesen from Belgium - Rob McKay

The activities included three trips to New York City to Radio City Music Hall. Statue of Liberty, Empire State Building, and Hayden Planetarium. Also there were two receptions held; one in January the other in March. Our students were presented with gifts and yearbooks.

"THE VOICE OF THE CARDINALS" IS STILLED

George W. "Bill" Schultz, the only public address announcer the Pompton Lakes High School Football Team ever had, was stricken while announcing the second half of the Thanksgiving Day Football Game and passed away later that evening.

Bill Schultz began his service in 1935, the same year he graduated from Pompton Lakes High School. He was a member of our first football squad, which was formed in 1932. A year before the high school officially opened. When a knee injury precluded his playing he served as the team's first manager. Coach Benson, wishing to keep him involved in the program asked him to announce the home games. He accepted the offer. He completed 47 years of uninterrupted service with the game at which he was stricken. His record of service is unparalleled in athletic history in the state and perhaps the nation. All associated with the "Cardinal" Football Program mourn his passing. He will be missed. No one would have enjoyed our State Championship more than he. Our Championship Slogan, "11 is Heaven" has special meaning for all of us as we honor and remember Bill Schultz. "THE VOICE OF THE CARDINALS".

ON EAGLES WINGS

To feel the immortal longings of freedom
The triumph within the soul
To know I have done all that a man can do
That is my own ultimate goal

To leave some mark behind me
It matters little how or where
Some sign that says I existed
A reference for those who would care

For deep within me is a yearning
To mount up with eagles wings
To shed these bonds and irons
That this earthly existence brings

But my body is fettered and shackled
As close as any prisoners chains
Each day the silver cord is shortened
And a little less remains

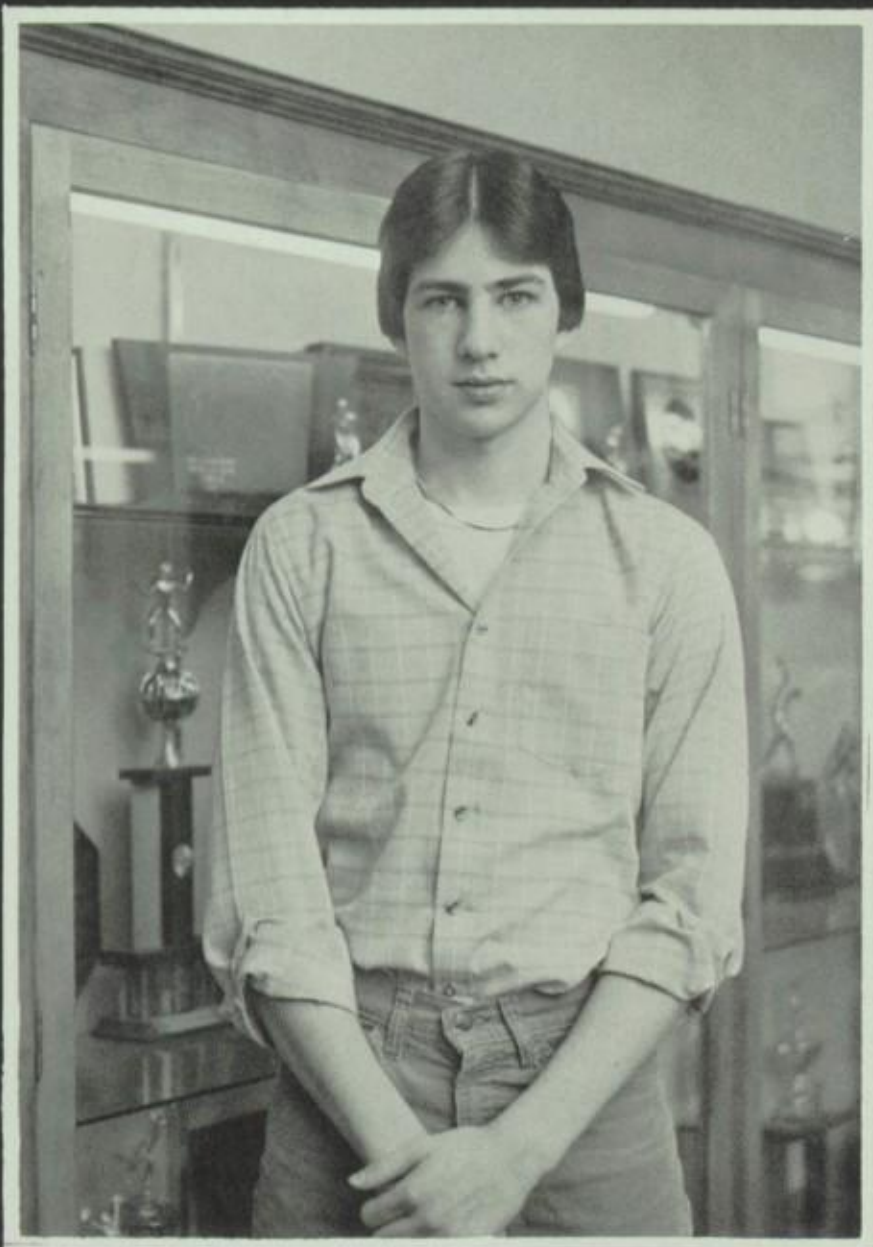

And some would call me foolish
To suffer even one more day
When I could slip the noose so easily
And let my soul skip away

And Oh my how I'm tempted
To take the final step
To start on the final journey
But, no, I'm not ready yet!

The eagles wings are calling me
Calling me loud and long
My tired body cannot go
But my soul stand straight and strong

I will mount up with eagles wings
And the triumphs will be mine
They will be victors of the soul
And leave victors of the body behind.

"FAREWELL"

We have had our times both good and bad
Today we feel a little sad,
Because our stay here has come to an end.
We have made it around the final bend.
We came in as a group and as a group we leave,
Our golden years here we can never retrieve.
But in our minds — not far away,
With us these memories will always stay.
To discuss, laugh at and sometimes cry,
About how fast high school passed us by.
And behind us we leave a lot of people who care,
Into our pasts we remember and stare.
Onto our future we will go,
What will become of us — no one will know.
The future for us is anyone's guess,
JUST REMEMBER OUR PAST AT P.L.H.S.
